We may also request payment for deductibles and co-insurance if provided by your insurance carrier at time of service.

We participate or contract with most major insurance carriers, including Medicare and some Medicaid plans, but **it is your responsibility to confirm benefits and coverage prior to services provided.** We will submit claims to your insurance carrier, but you remain responsible for any charges incurred regardless of your insurance coverage. All unpaid balances will be billed to you as self pay and are due and payable within 30 days of the statement date. Past due balances may be subject to outsourcing to a third party agency for collection.

Your insurance carrier can tell you whether we are contracted with them. For insurance plans that we do not participate or contract with, you are responsible for any unpaid balance and if unable to pay in full you must make payment arrangements with our billing staff.

It is your responsibility to:

- ✓ Know your insurance benefits and coverage network.
